

AER SALE

GOODYEAR AIRCRAFT MRO OPERATIONS CENTER

ABOUT US

AerSale® is a leading provider of specialized aircraft MRO services from aircraft heavy maintenance and modifications to full end of life support. We are one of the distinguished aircraft MRO organizations that has the necessary technical qualifications and operational resources to hold Federal Aviation Administration (FAA) "unlimited" repair station ratings for both airframe and component MRO operations.

We specialize in aircraft heavy checks, airframe structural modifications, passenger to freighter conversions, firefighter tanker modifications as well as aircraft teardowns and storage.
